

- Repeatable Digital Speed Control
- 3 User Definable Program Presets
- Digital PID Temperature Control
- Top Hinged Transparent Door
- 600 x 450mm Platform
- Proven Reliability

Precise Control and Built to Last

When reliability is important and uptime critical, the Ratek OM15's proven track record is unparalleled. The OM15 is a heavy duty orbital shaker within a temperature controlled cabinet designed to run for extended periods. An adjustable counter-weight system gives stable mixing with even the heaviest loads whilst the door features a large viewing panel for full visibility of the shaking platform and containers at all times.

SPECIFICATIONS

OM15	
Mixing action	Orbital - 25mm orbit
Platform size	600 x 450 mm
Speed range	40-400 RPM
Speed control type	Digital + Tacho
Timer	0-99 mins/hrs
LED speed & time display	Yes
User program presets	3
Motor	Long life super-quiet brushless AC
Transmission type	Silent Belt
Temperature control range	28°C to 70°C. (min 7°C above ambient)
Temperature control type	Digital PID with active bright LED display
Safety features	<ul style="list-style-type: none"> • Motion interrupt stop • Slow start • Unbalanced load stop • Over temperature alarm • Over temperature cut-out
Power input	240VAC/900W
Overall dimensions	W750 x D650 x H652 mm
Nett weight	45 kg

Fan assisted heating coupled with the custom digital PID system ensures accurate temperature control within the cabinet. Designed to maximise the use of valuable laboratory space, the OM15 is ideally suited to filling space under or on top of benchtops with it's forward opening door.

The silent belt drive allows continuous use with whisper quiet operation and is suited to labs where noise levels need to be kept to a minimum.

The OM15 features a large 600 x 450mm platform which can accommodate up to 20 x 500mL flasks, whilst the drive system features slow acceleration to avoid spillage, unbalanced load safety stop and motion interrupt safety stop.

A full range of accessories is available, as well as customised fixtures to suit your application.
